PAYMENT DISCLAIMER for both Wroe Elite Swim Training Limited and Poseidon Swimming Club.	
I Understand in joining WEST and Poseidon Swimming Club that, in the event of any unforeseen occurrence and/or natural disaster such as, but not limited to, storm, cyclone, hurricane, earthquake, landslide, flood, drought, or plague, epidemic, pandemic, other viral outbreak, including any acts or orders of Governments or public authorities based thereon, members must still honour any membership or training fee payment at the time when they are due.	

Wroe Elite Swim Training (WEST) - Session Times

Parents must ensure that the practise session is running before leaving any swimmer at the pool. Coaches are only responsible for swimmers if/when the practise session is running. Unfortunately, unforeseen circumstances can on rare occasions force the practise session to be cancelled.

Please be aware of the finish times of the practise sessions and events. Coaches are not responsible for waiting with swimmers to be picked up at the end of the session. If an 'excessive wait' is incurred (longer than 20 mins) then a penalty charge of 1,000kes shall be imposed. Made as a direct payment to the coach who is waiting.

Swimmers are the responsibility of parents/guardians when not in the water or on the poolside at all practise sessions and competitions.

Please Note:

You must be asleep every night by 9:00pm regardless of whether you have a morning session or not. Consistency is vital! A lack of consistency will make you feel tired, lethargic, and less likely to perform to your full potential.

All sessions are subject to change. Advanced notice will be given via email or WhatsApp group.
